8 RESPONDING TO BEHAVIOUR

Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school using the Teaching the Prenton Way` ethos.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged and challenged, following the Teaching the Prenton Way structure outlined above.
- Display the "Way We Do Things Here" and "Teaching the Prenton Way" information in classrooms.
- Develop a positive relationship with students, which may include:
 - Greeting students in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement
 - Leading 10 minute interventions to resolve issues quickly and positively when appropriate, as outlined in The Way We Do Things Here.

Safeguarding

The school recognises that changes in behaviour may be an indicator that a student is in need of help or protection.

We will consider whether a students' misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether Student Services support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

Responding to good behaviour

Rewards provide public recognition of student progress and commitment to school, and help to raise students' motivation and expectations. At Prenton High School we use the following rewards:

- Verbal praise;
- Written comment e.g. on work or in student planner;
- Class Charts Rewards;
- Display of work;
- Telephone call, emails, letters or postcard sent to parents/carers;
- Public commendation e.g. in assembly or at the annual Celebration or Awards Evenings;
- Awarding of certificates e.g. in a year assembly; and
- Leadership opportunities e.g. as part of the Student Senior Leadership Team.
- Class Chart rewards are recognised in our termly House Assemblies with Bronze Awards for 50+ rewards, Silver Awards for 100+ rewards and Gold Awards for 150+ rewards. The Headteacher issues a special award to anyone with more than 200 rewards.
- Students can use the Class Charts shop to 'buy' items in exchange for reward points. End of term trips/activities are available for students who show an excellent attitude to learning and excellent attendance.

Responding to misbehaviour

When a student's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so students know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All students will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a student to help them to meet behaviour standards in the future.

The school may use 1 or more of the following in response to unacceptable behaviour:

- Sending the student out of the class.
- A verbal reprimand and reminder of the expectations of behaviour: The Way We Do Things Here.
- Setting of written tasks such as an account of their behaviour.
- Expecting work to be completed at home, or at break or lunchtime.
- Detention at break or lunchtime, or after school.
- Loss of privileges – for instance, the loss of a prized responsibility.
- School-based community service, such as tidying a classroom.
- Referring the student to a senior member of staff.
- Letter or phone call home to parents.
- Agreeing a behaviour contract.
- Putting a student 'on report'.
- Removal of the student from the classroom.
- Time in Return to Learn.
- Internal Exclusion.
- Fixed Term Suspension.

- Permanent Exclusions, in the most serious of circumstances.

Personal circumstances of the student will be taken into account when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

Off-site misbehaviour

Consequences may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips).
- Travelling to or from school.
- Wearing school uniform.
- In any other way identifiable as a student of our school.

Consequences may also be applied where a student has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school.
- Poses a threat to another student.
- Could adversely affect the reputation of the school.

Online misbehaviour

The school can issue behaviour consequences to students for online misbehaviour when:

- It poses a threat or causes harm to another student.
- It could have repercussions for the orderly running of the school.
- It adversely affects the reputation of the school.
- The student is identifiable as a member of the school.

Consequences will only be given out on school premises or elsewhere when the student is under the lawful control of a staff member.

Reasonable force

Reasonable force covers a range of interventions that involve physical contact with students. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a student from:

- Causing disorder.
- Hurting themselves or others.
- Damaging property.
- Committing an offence.

Incidents of reasonable force must:

- Always be used as a last resort.
- Be applied using the minimum amount of force and for the minimum amount of time possible.
- Be used in a way that maintains the safety and dignity of all concerned.
- Never be used as a form of punishment.
- Be recorded and reported to parents

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the student, including SEND, mental health needs or medical conditions.

Use of CCTV Footage,

Prenton High School uses CCTV footage to protect against crime and to protect students, staff and members of the public when they are on school premises.

Owned By:	O &P

Ratified:	Summer 2025
Next Review:	Summer 2026

If there are any incidences of poor behaviour by students such as vandalism or bullying behaviour, or if an investigation into any matter requires further clarity, the SLT may look at recordings from CCTV to ascertain what has happened.

Any available evidence found on CCTV footage will be referred to when SLT are assessing whether or not a student should be excluded from school, internally or for a Fixed Term suspension or Permanent Exclusion. In the case of a permanent exclusion and where available, this footage will be made available to Governors, the LA and any Independent Review Panel or Police.

Due to GDPR parents/carers are unable to have access to school CCTV footage.

Please refer to the Prenton High School CCTV Policy for further information.

Confiscation and searches,

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Suspected criminal behaviour

If a student is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the Headteacher, member of the senior leadership team or the Head of Student Services will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

Malicious allegations

Owned By:	O &P
Reviewed	Summer 2025
Ratified:	Summer 2025
Next Review:	Summer 2026

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the student in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the needs of staff and students accused of misconduct and ensure appropriate support is put in place as required,

Please refer to our Child Protection and Safeguarding Policy and our Managing Allegations Against Staff policy. for more information on responding to allegations of abuse against staff or other students.

Detention

Students can be issued with detentions or interventions during break, lunchtime, or after school

The school will communicate these Interventions through Class Charts.

- Interventions: 3:00pm-3:10pm daily
- On Call Detention: 3:00pm-3:50pm daily
- SLT detention: 3:00pm-3:30pm daily
- Headteacher detention: 3.10pm—4.10pm every Friday

When imposing a detention, the school will consider whether doing so would:

- Compromise the student's safety
- Conflict with a medical appointment
- Prevent the student from getting home safely
- Interrupt the student's caring responsibilities

Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the student from the classroom for a limited time.

Students who have been removed will continue to receive education under the supervision of a member of staff that is meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove students from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Students may be removed from lessons by a senior member of staff through the school's on-call system.

Removal can be used to:

- Restore order if the student is being unreasonably disruptive
- Maintain the safety of all students
- Allow the disruptive student to continue their learning in a managed environment
- Allow the disruptive student to regain calm in a safe space

Students who have been removed from the classroom are supervised by a staff member at all times in Return to Learn, or another appropriate space in school.

Students will not be removed from classrooms for prolonged periods of time without the explicit agreement of the Headteacher.

Students should be reintegrated into the classroom as soon as appropriate and safe to do so. The school will consider what support is needed to help a student successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for students who are frequently removed from class, such as:

- Meetings with Year Team, Learning Support or another appropriate adult.
- Use of teaching assistants or other key members of staff, for example Year Support
- Behaviour report cards
- Student Support plans
- Adapted timetables
- Multi-agency assessment

Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the student on Arbor.

Internal Exclusion, Fixed Term Suspension and Permanent Exclusions

The school can use Internal Exclusion, Fixed Term Suspension and Permanent Exclusion in response to serious incidents or in response to persistent poor behaviour, which has not improved following in-school interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information.

Governors' Panel

When a student receives a number of Fixed Term Suspensions then they may become at risk of Permanent Exclusion.

In this situation, parents will be invited to attend a meeting with their child and a School Governor.

During this meeting a series of targets will be agreed to encourage the student to make positive choices and to reduce the risk of Permanent Exclusion.

9 SUPPORTING STUDENTS WITH SEND

Recognising the impact of SEND on behaviour

The school recognises that student's behaviour may be impacted by a special educational need or disability (SEND), an undiagnosed special education need or a mental health need.

When incidents of misbehaviour arise, we will consider them in relation to a student's SEND and/or mental health need, although we recognise that not every incident of misbehaviour will be connected to their SEND or mental health need. Decisions on whether a student's SEND and/or mental health had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from students with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid causing any substantial disadvantage to a disabled student caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of students with SEND ([Children and Families Act 2014](#))
- If a student has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Owned By:	O &P
Reviewed	Summer 2025
Ratified:	Summer 2025
Next Review:	Summer 2026

Any preventative measures will take into account the specific circumstances and requirements of the student concerned.

- Short, planned movement breaks for a student with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a student with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a student with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (The Studio / The Beacon) where students can regulate their emotions during a moment of sensory overload
- Referrals to explore SEND needs.
- Support from an appropriate member of staff, including wellbeing, family and year support.

Adapting sanctions for students with SEND

When considering a behavioural sanction for a student with SEND, the school will take into account:

- Whether the student was unable to understand the rule or instruction?
- Whether the student was unable to act differently at the time as a result of their SEND?
- Whether the student is likely to behave aggressively due to their particular SEND?

If the answer to any of these questions is yes, it may be unlawful for the school to sanction the student for the behaviour.

The school will then assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

Considering whether a student displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Students with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a student with an EHC plan, it will make contact with the local authority to discuss the issue. If appropriate, the school may request an emergency review of the EHC plan.

10 SUPPORTING STUDENTS FOLLOWING A CONSEQUENCE

Following a consequence, the school will consider strategies to help students to understand how to improve their behaviour and meet the expectations of the school.

This could include measures like:

- Reintegration meetings
- Mediation meetings
- Daily contact with the Year Team, or another member of the Student Services or Learning Support Teams.
- A report card with personalised behaviour goals
- A Student Passport

- Referrals for additional external agency support or assessment

11 STUDENT TRANSITION

Inducting incoming students

The school will support incoming students to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

Preparing outgoing students for transition

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term or year.

12 TRAINING

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- Safeguarding and Child Protection
- Behaviour Management: The Way We Do Things Here
- Teaching the Prenton Way
- The needs of the students at the school
- How SEND and mental health needs impact behaviour

Behaviour management will also form part of continuing professional development.

A staff training log can be found in appendix 1

13 MONITORING ARRANGEMENTS

Monitoring and evaluating school behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusion and suspension
- Use of alternative provision and managed moves
- Anonymous surveys for staff, students, governors, trustees and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be analysed every half term by Head of Student Services, Year Leads and SLT.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of students are identified by this analysis, the school will review its policies to tackle it.

Monitoring this policy

This behaviour policy will be reviewed by the headteacher and Governing Board at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the Headteacher and Chair of Governors.
