Required as soon as possible

The Governors are seeking to appoint a highly motivated and outstanding **Science Technician** with the skills, enthusiasm and drive to join our highly successful school.

The successful candidate will play a key role in our busy and friendly Science Department, providing active support across all aspects of the department. This will include assisting teachers and students, preparing equipment and materials for science lessons, and managing stock and resources within the preparation rooms.

The ideal candidate will have a science background, a good understanding of safe working practices, and preferably some experience of working in a school environment. If you are organised, proactive and passionate about supporting high-quality science education, this could be the perfect role for you.

The school is committed to safeguarding and promoting the welfare of children and expects staff and volunteers to share this commitment. You will be required to undertake an enhanced DBS disclosure and a range of other recruitment checks. For shortlisted candidates, this may include online searches of publicly available information, for example, via social media platforms such as Facebook, X and Instagram.

We are committed to diversity and have policies in place to promote equality of opportunity.
